7. SUMMARY OF KEY COMPETENCIES FOR APPLICANTS

Please attach a summary detailing your current level of understanding and experience in each of the key areas of competence listed in section 3.4 of the Criteria for Certified Pedorthists.

8. LEVEL OF REGISTRATION

Certified Pedorthists are listed on the register according to their specialised skills and knowledge. Please indicate at which level you wish to be registered.

- CRetPed The Retailer of medical grade footwear and ready-made Orthotic appliances, including assessment, follow up and minor modification of existing footwear (modifications and repair on the footwear that does not alter the principal function or construction of the footwear)
- CPed The Provider of medical grade footwear services including assessment, follow up and the major alteration, repair of existing footwear appliances and the provision of Orthotic services off-the-shelf or custom made.
- CPed CM The Certified Pedorthist Custom Maker is the special professional member actively engaged in the clinical practice of assessing and treating and providing information based services on all aspects in medical grade footwear both custom and prefabricated and appliances and orthoses specific to the Foot/ankle in all their forms and procedures including Assessing, Manufacturing, Dispensing, Modifying, Repairing and other significant aspects such as research and development

9. APPLICATION SPONSORS

Each applicant shall be sponsored either by his or her employer or by another person with whom they have a business relationship. There are special requirements for verifying work experience.

Sponsors are responsible for providing independent verification of the information contained in this Application. In doing so sponsors are requested to

1. Ensure that the information contained in the application detailing the work experience of the applicant is complete.
2. Only sponsor an applicant where information can be verified from personal knowledge or where original objective evidence has been sighted.
